2.3. Facilities. All AT facilities used to store and process an Application and Customer Data will adhere to reasonable security standards no less protective than the security standards at facilities where AT processes and stores its own information of a similar type. AT has implemented at least industry standard systems and procedures to (i) ensure the security and confidentiality of an Application and Customer Data, (ii) protect against anticipated threats or hazards to the security or integrity of an Application and Customer Data, and (iii) protect against unauthorized access to or use of an Application and Customer Data.

2.4. Data Location. Customer may select where certain Customer Data will be stored (“Data Location Selection”), and AT will store the Customer Data at the Data Location Selection in accordance with the Customer Signup. If a Data Location Selection is not made by Customer with respect to any Customer Data, AT may process and store the Customer Data anywhere AT or its agents maintain facilities. By using the Services, Customer consents to this processing and storage of Customer Data. Under this Agreement, AT is merely a data processor.

2.5. Accounts. Unless otherwise noted by AT, material changes to the Agreement will become effective 30 days after they are posted, except if the changes apply to new functionality in which case they will be effective immediately. AT will provide at least 90 days' advance notice for materially adverse changes to any SLAs by either: (i) sending an email to Customer's primary point of contact; (ii) posting a notice in the Admin Console; or (iii) posting a notice to the applicable SLA webpage. If Customer does not agree to the revised Agreement, please stop using the Services. AT will post any modification to this Agreement to the Terms URL.

2.8. Data Processing and Security. Our Services infrastructure stores and transmits information about customers' businesses, as well as information collected by those businesses. We refer to all such information that we do not actively collect as "Hosted Data." Hosted Data may include personally identifiable information and other information that belongs to our customers' own customers, website visitors, or other users. Company is a passive recipient of Hosted Data: we take no active part in collecting it, and generally we do not access its content. However, Company staff may occasionally access Hosted Data through delivery of services and support to customers. For instance, staff may come into contact with Hosted Data by verifying back-up and restore processes, by verifying that applications are running properly, or through debugging efforts.

(a) Data Protection Legislation. The parties agree and acknowledge that the Data Protection Legislation will apply to the processing of Customer Personal Data.

(b) Processing of Customer Personal Data.

(i) Controller and Processor. If the Data Protection Legislation applies to the processing of Customer Personal Data, then as between the parties, the parties acknowledge and agree that: (a) Customer is the controller of Customer Personal Data under the Agreement; (b) AT is a processor of such data; (c) Customer will comply with its obligations as a controller under the Data Protection Legislation; and (d) AT will comply with its obligations as a processor under the Agreement. If under the Data Protection Legislation a Customer Affiliate is considered the controller (either alone or jointly with the Customer) with respect to certain Customer Personal Data, Customer represents and warrants to AT that Customer is authorized: (i) to give the Instructions to AT and otherwise act on behalf of such Customer Affiliate in relation to such Customer

Personal Data as described in these Terms, and (ii) to bind the Customer Affiliate to these Terms.

(ii) Scope of Processing. AT will only process Customer Personal Data in accordance with the Instructions, and will not process Customer Personal Data for any other purpose.

(iii) Additional Products. Customer acknowledges that if it installs, uses, or enables Additional Products, then the Services may allow such Additional Products to access Customer Data as required for the interoperation of those Additional Products with the Services. The Agreement does not apply to the processing of data transmitted to or from such Additional Products. Such Additional Products are not required to use the Services.

(c) Data Security; Security Compliance.

(i) Security Measures. AT will take and implement appropriate technical and organizational measures to protect Customer Data against accidental or unlawful destruction or accidental loss or alteration, or unauthorized disclosure or access, or other unauthorized processing (the “Security Measures”). AT may interrupt service to update or modify the Security Measures from time to time provided that such updates and modifications do not result in the degradation of the overall security of the Services. Customer agrees that it is solely responsible for its use of the Services, including securing its account authentication credentials, and that AT has no obligation to protect Customer Data that Customer elects to store or transfer outside of AT’s and its Subprocessors’ systems (e.g., offline or on-premise storage).

(ii) Security Compliance by AT Staff. AT will take appropriate steps to ensure compliance with the Security Measures by its employees, contractors and Subprocessors to the extent applicable to their scope of performance.

(iii) Data Incidents. If AT becomes aware of a Data Incident, AT will promptly notify Customer of the Data Incident, and take reasonable steps to minimize harm and secure Customer Data. Notification(s) of any Data Incident(s) will be delivered to the email address provided by Customer in the Agreement (or in the Admin Console) or, at AT’s discretion, by direct Customer communication (e.g., by phone call or an in-person meeting). Customer acknowledges that it is solely responsible for ensuring that the contact information set forth above is current and valid, and for fulfilling any third party notification obligations. Customer agrees that “Data Incidents” do not include:

(i) unsuccessful access attempts or similar events that do not compromise the security or privacy of Customer Data, including pings, port scans, denial of service attacks, and other network attacks on firewalls or networked systems; or (ii) accidental loss or disclosure of Customer Data caused by Customer's use of the Services or Customer's loss of account authentication credentials. AT's obligation to report or respond to a Data Incident under this Section will not be construed as an acknowledgement by AT of any fault or liability with respect to the Data Incident.

(d) Data Location and Transfers. Customer may select where certain Customer Data will be stored (the "Data Location Selection"), and AT will store it there in accordance with the Service Specific Terms. If a Data Location Selection is not covered by the Service Specific Terms (or a Data Location Selection is not made by Customer in respect of any Customer Data), AT may store and process the relevant Customer Data anywhere AT or its Subprocessors maintain facilities.

(e) Subprocessors.

(i) Subprocessors. AT may engage Subprocessors to provide limited parts of the Services, subject to the restrictions in these Terms.

(ii) Subprocessing Restrictions. AT will ensure that Subprocessors only access and use Customer Data in accordance with this Section 2.8(e) (Data Location and Transfers) and terms of the Agreement and that they are bound by written agreements that require them to provide at least the level of data protection required by the Data Processing Legislation.

(iii) Consent to Subprocessing. Customer consents to AT subcontracting the processing of Customer Data to Subprocessors in accordance with the Agreement.

3. Payment Terms.

3.1. Standard Fees. In consideration of the provision of the Services by AT and the rights granted to Customer under this Agreement, Customer shall pay the Fees set out in a prepaid plan pursuant to the Customer Signup (“Prepaid Plan”). Payment to AT of such Fees and the reimbursement of expenses pursuant to this Section 3 shall constitute payment in full for the performance of the Services. Such fees may be revised from time to time. Payment is due before the start of each prepayment period (as defined in the Customer Signup), including renewed prepayment periods. Each Prepaid Plan will renew automatically at the end of its prepayment period.

3.2. Cancellation Terms. Customer will provide notice of cancellation by email to: contract@adopttechnologies.com pursuant to the terms of this Section 3.2:

(a) If the prepayment period is one month or less, Customer must cancel the Prepaid Plan before the beginning of each month with written notice.

(b) If the prepayment period exceeds one month, Customer may cancel the Prepaid Plan at any time during the first 30 days of a renewed prepayment period, and if AT has already charged Customer for such period, it will refund the fees, prorated to deduct for the time between start of the prepayment period and cancellation.

3.3. Fees for Optional Features. Fees for Optional Features are in addition to the Fees for the standard Prepaid Plan. Pursuant to AT’s standard policies, AT may bill Customer separately for Optional Features on a monthly or other periodic basis.

3.4. Alternative Fees. If Customer and AT agree to alternative fees in the Customer Signup or in a supplementary statement of work for Optional Features (a “Statement of Work”), such alternative fees will apply until the end-date specifically listed in the Customer’s Signup or Statement of Work. If no end date is listed, the alternative fees will apply for 1 year. Thereafter, alternative fees will revert to AT’s standard fees.

3.5. Fees for Statement of Work Expenses. Customer shall reimburse AT for all reasonable expenses incurred in accordance with the Statement of Work, within thirty (30) days of receipt by the Customer of an invoice from AT accompanied by receipts and reasonable supporting documentation.

3.6. Other Fee Terms. Pursuant to AT’s standard policies, Customer will pay any administration or other fees required by the Services and Optional Features listed in

Customer Signup. Promotional credits and SLA credits issued by AT may not be used to pay for Optional Features, and no credit issued by AT may be used for Third Party Products and Services. In the event that Customer under-utilizes its memory or data related Services and Optional Features as listed in its Customer's Signup, AT shall not provide any kind of memory or data roll-over to a future month, a credit, or any other refund related to the underutilization.

3.7. Invoice Disputes & Refunds. Any invoice disputes must be submitted at least fifteen (15) days prior to the payment due date. If the parties determine that certain billing inaccuracies are attributable to AT, AT will not issue a corrected invoice, but will instead issue a credit memo specifying the incorrect amount in the affected invoice. If the disputed invoice has not yet been paid, AT will apply the credit memo amount to the disputed invoice and Customer will be responsible for paying the resulting net balance due on that invoice. To the fullest extent permitted by law, Customer waives all claims relating to Fees unless claimed within sixty days after charged (this does not affect any Customer rights with its credit card issuer). Refunds (if any) are at the sole discretion of AT and will only be in the form of credit for the Services. Nothing in this Agreement obligates AT to extend credit to any party.

3.8. Delinquent Payments; Suspension. Except for invoiced payments that the Customer has successfully disputed, all late payments shall bear interest at the lesser of the rate of 1.5% per month or the highest rate permissible under applicable law, calculated daily and compounded monthly. AT may charge a late fee of \$3 per day for administrative expenses, starting on the first day after any payment is due. Customer shall further reimburse AT for all costs incurred in collecting any late payments, including, without limitation, attorneys' fees. In addition to all other remedies available under this Agreement or at law (which AT does not waive by the exercise of any rights hereunder), AT shall be entitled to suspend the provision of any Services and access to Customer's Account if the Customer fails to pay any amounts when due hereunder and such failure continues for fifteen (15) days following written notice thereof.

3.9. Mandatory Credit Card on File. Customer shall maintain a valid credit card on file at all times. AT may charge such card fees listed on Customer's Signup on the first business day of each month. Customer will update credit card information as necessary by contacting AT's support team by telephone at 480-422-6400. If a charge attempt is denied, AT shall first make reasonable efforts to provide advanced notice of discontinuation of Services. If such denied charge attempt is not thereafter resolved, AT may discontinue Customer's Service.

3.10. Taxes. Customer shall be responsible for all sales, use and excise taxes, and any other similar taxes, duties and charges of any kind imposed by any federal, state or local governmental entity on any amounts payable by Customer hereunder; provided, that, in no event shall Customer pay or be responsible for any taxes imposed on, or with respect to, AT's income, revenues, gross receipts, personnel or real or personal property or other assets.

4. Customer Obligations.

4.1. Compliance. Customer is solely responsible for its Applications, Projects, and Customer Data and for making sure its Applications, Projects, and Customer Data comply with the AUP. AT reserves the right to review the Application, Project, and Customer Data for compliance with the AUP. Customer is responsible for ensuring all Customer End Users comply with Customer's obligations under the AUP and the restrictions in Sections 4.3 and 4.5 below.

4.2. Privacy. Customer will obtain and maintain any required consents necessary to permit the processing of Customer Data under this Agreement.

4.3. Restrictions. Customer will not, and will not allow third parties under its control to: (a) copy, modify, create a derivative work of, reverse engineer, decompile, translate, disassemble, or otherwise attempt to extract any or all of the source code of the Services (subject to Section 4.4 below and except to the extent such restriction is expressly prohibited by applicable law); (b) use the Services for High Risk Activities; (c) sublicense, resell, or distribute any or all of the Services separate from any integrated Application; (d) create multiple Applications, Accounts, or Projects to simulate or act as a single Application, Account, or Project (respectively) or otherwise access the Services in a manner intended to avoid incurring Fees; (e) unless otherwise set forth in the Customer Signup, use the Services to operate or enable any telecommunications service or in connection with any Application that allows Customer End Users to place calls or to receive calls from any public switched telephone network; or (f) process or store any Customer Data that is subject to the International Traffic in Arms Regulations maintained by the Department of State. Unless otherwise specified in writing by AT, AT does not intend uses of the Services to create obligations under HIPAA, and makes no representations that the Services satisfy HIPAA requirements. If Customer is (or becomes) a Covered Entity or Business Associate, as defined in HIPAA, Customer will not use the Services for any purpose or in any manner involving Protected Health Information (as defined in HIPAA) unless Customer has received prior written consent to such use from AT.

4.4. Personal Data. Without limiting the foregoing, if Customer Data includes personal information, personally identifiable information, personal data, any information about a person or individual, or any other data covered by applicable law or regulation, Customer represents that Customer has obtained all necessary rights to transfer such Customer Data to or from the AT region you select, and you will comply with all of your obligations with respect of such Customer Data as required by applicable law or regulation, which may include obtaining consent of the subjects of such Customer Data. We may reproduce Customer Data as necessary in providing our Services.

4.5. The Service does not include any software, consulting service, or other product or service not provided by AT. Third party products and services include, without limitation: (A) any third party consulting services that assist Customer in utilizing the Service or otherwise relate to the Service, including such services provided by third parties AT referred to Customer; and (B) any and all software and other products and services Customer acquires through AT online services, unless such product or service is specifically identified on Customer Signup as provided by AT.

4.6. THIRD PARTY PRODUCTS AND SERVICES ARE NOT PART OF THE SERVICE, AND CUSTOMER ACQUIRES THEM DIRECTLY FROM THE THIRD PARTY PROVIDER PURSUANT TO SUCH CONTRACT AS CUSTOMER AND THE THIRD PARTY PROVIDER MAY EXECUTE. AT IS NOT RESPONSIBLE OR LIABLE FOR THIRD PARTY PRODUCTS AND SERVICES, EVEN IF AT RECOMMENDS THE THIRD PARTY PROVIDER, EVEN IF THE THIRD PARTY PRODUCTS AND SERVICES ARE RELATED TO THE SERVICE OR TO CUSTOMER'S ABILITY TO RECEIVE OR EXPLOIT THE SERVICE, AND EVEN IF AT ACTS AS THE THIRD PARTY PROVIDER'S AGENT IN DELIVERING THE THIRD PARTY PRODUCT OR SERVICE, IN COLLECTING PAYMENT, OR IN OTHER WAYS. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, AT WILL HAVE NO RESPONSIBILITY OR LIABILITY FOR MAINTENANCE, UPDATES, OR UPGRADES OF THIRD PARTY PRODUCTS AND SERVICES OR FOR INTELLECTUAL PROPERTY INFRINGEMENT BY THIRD PARTY PRODUCTS AND SERVICES. In the event that AT is held liable for third party products or services, such liability will be subject to the disclaimers and limitations of liability in Sections 13 and 14 of this Agreement.

4.7. Third Party Components. Third party components (which may include open source software) of the Services may be subject to separate license agreements. To

the limited extent a third party license expressly supersedes this Agreement, that third party license governs Customer's use of that third party component.

4.8. Documentation. AT may provide Documentation for Customer's use of the Services. The Documentation may specify restrictions (e.g. attribution or HTML restrictions) on how the Applications may be built or the Services may be used and Customer will comply with any such restrictions specified.

5. Suspension and Removals.

5.1. Suspension/Removals. If Customer becomes aware that any Application, Project, or Customer Data violates the AUP, Customer will immediately suspend the Application or Project and/or remove the relevant Customer Data (as applicable). If Customer fails to suspend or remove as noted in the prior sentence, AT may specifically request that Customer do so. If Customer fails to comply with AT's request to do so within twenty-four hours, then AT may disable the Project or Application, and/or disable the Account (as may be applicable) until such violation is corrected.

5.2. Emergency Security Issues. Despite the foregoing, if there is an Emergency Security Issue, then AT may automatically suspend the offending Application, Project, and/or Account. Suspension will be to the minimum extent required, and of the minimum duration, to prevent or resolve the Emergency Security Issue. If AT suspends an Application, Project, or the Account, for any reason, without prior notice to Customer, at Customer's request, AT will provide Customer the reason for the suspension as soon as is reasonably possible.

6. Intellectual Property Rights; Use of Customer Data; Feedback.

6.1. Intellectual Property Rights. Except as expressly set forth in this Agreement, this Agreement does not grant either party any rights, implied or otherwise, to the other's content or any of the other's intellectual property. As between the parties, Customer owns all Intellectual Property Rights in Customer Data and the Application or Project (if applicable), and AT owns all Intellectual Property Rights in the Services and Software.

6.2. Use of Customer Data. AT will not access or use Customer Data, except as necessary to provide the Services to Customer.

6.3. Customer Feedback. If Customer provides AT Feedback about the Services, then AT may use that information without obligation to Customer, and

Customer hereby irrevocably assigns to AT all right, title, and interest in, to, and under that Feedback.

7. Technical Support Services.

7.1. By Customer. Customer is responsible for technical support of its Applications and Projects.

7.2. By AT. Subject to payment of applicable Fees as listed in the Customer Signup, AT will provide TSS to Customer during the Term in accordance with the Customer Signup. If Customer downgrades its TSS level during any calendar month, AT may continue to provide TSS at the same level and TSS Fees before the downgrade for the remainder of that month.

8. Deprecation of Services.

8.1. Discontinuance of Services. Subject to Section 8.2, AT may discontinue any Services or any portion or feature for any reason at any time without liability to Customer.

8.2. Deprecation Policy. AT will announce if it intends to discontinue or make backwards incompatible changes to the Services specified at Services Page. AT will use commercially reasonable efforts to continue to operate those Services versions and features identified at the Services Page without such changes for at least one year after that announcement, unless (as AT determines in its reasonable good faith judgment):

(i) required by law or third party relationship (including if there is a change in applicable law or relationship), or

(ii) doing so could create a security risk or substantial economic or material technical burden.

The above policy is the “Deprecation Policy.”

9. Confidential Information.

9.1. Obligations. The recipient agrees to hold Confidential Information of the Discloser in strictest confidence and not to disclose such information to third parties or to use such information for any purpose whatsoever, except as authorized by this Agreement or in connection with Recipients obligations under this Agreement. The Recipient shall take reasonable precautions to protect the confidentiality of Discloser’s Confidential

Information, at least as stringent as the Recipient takes to protect its own Confidential Information, but with no less than reasonable care and reasonable restrictions. The Recipient will not disclose the Confidential Information, except to Affiliates, employees, agents or professional advisors who need to know it and who have agreed in writing (or in the case of professional advisors are otherwise bound) to keep it confidential. The Recipient will ensure that those people and entities use the received Confidential Information only to exercise rights and fulfill obligations under this Agreement, while using reasonable care to keep it confidential.

9.2. Required Disclosure. Notwithstanding any provision to the contrary in this Agreement, the recipient may also disclose Confidential Information to the extent required by applicable Legal Process; provided that the recipient uses commercially reasonable efforts to: (i) promptly notify the other party of such disclosure before disclosing; and (ii) comply with the other party's reasonable requests regarding its efforts to oppose the disclosure. Notwithstanding the foregoing, subsections (i) and (ii) above will not apply if the recipient determines that complying with (i) and (ii) could: (a) result in a violation of Legal Process; (b) obstruct a governmental investigation; and/or (c) lead to death or serious physical harm to an individual. As between the parties, Customer is responsible for responding to all third party requests concerning its use and Customer End Users' use of the Services.

10. Term and Termination.

10.1. Agreement Term. The "Term" of this Agreement will begin on the Effective Date and continue until the Agreement is terminated as set forth in Section 10 of this Agreement.

10.2. Termination for Breach. Either party may terminate this Agreement for breach if: (i) the other party is in material breach of the Agreement and fails to cure that breach within thirty days after receipt of written notice; (ii) the other party ceases its business operations or becomes subject to insolvency proceedings and the proceedings are not dismissed within ninety days; or (iii) the other party is in material breach of this Agreement more than two times notwithstanding any cure of such breaches. In addition, AT may terminate any, all, or any portion of the Services or Projects, if Customer meets any of the conditions in Section 10.2(i), (ii), and/or (iii).

10.3. Termination for Inactivity. AT reserves the right to terminate the Services for inactivity, if, for a period exceeding 180 days, Customer: (a) has failed to access the Admin Console; (b) a Project has no active virtual machine or storage resources or an

Application has not served any requests; and (c) no electronic bills are being generated. AT reserves the right to terminate the provision of the Service(s) to a Project upon 30 days advance notice if, for a period of 60 days (i) Customer has not accessed the Admin Console or the Project has had no network activity; and (ii) such Project has not incurred any Fees for such Service(s).

Customer understands and agrees that AT may suspend Service in whole or in part in the event that AT reasonably suspects an AUP violation. AT will make reasonable efforts to notify Customer before any such suspension, unless the AUP violation calls for immediate action to prevent injury or liability, in AT's opinion and at its sole discretion. Suspension pursuant to this Section 12.1 may continue so long as AT reasonably suspects an AUP violation. AT is not liable for any Service suspension authorized by this Paragraph, or for any related loss, even if the suspected AUP violation did not occur.

15. Indemnification.

15.1. By Customer. Unless prohibited by applicable law, Customer will defend and indemnify AT and its Affiliates against Indemnified Liabilities in any third party claim or Third-Party Legal Proceeding to the extent arising from: (i) any Application, Project, Instance, Customer Data or Customer Brand Features; or (ii) Customer's, or Customer End Users', use of the Services in violation of the AUP.

(b) The indemnified party tenders sole control of the indemnified portion of the third party claim or Third-Party Legal Proceeding to the indemnifying party, subject to the following: (i) the indemnified party may appoint its own non-controlling counsel, at its own expense; and (ii) any settlement requiring the indemnified party to admit liability, pay money, or take (or refrain from taking) any action, will require the indemnified party's prior written consent, not to be unreasonably withheld, conditioned, or delayed.

15.5. Remedies.

(a) If AT reasonably believes the Services might infringe a third party's Intellectual Property Rights, then AT may, at its sole option and expense: (a) procure the right for Customer to continue using the Services; (b) modify the Services to make them non-infringing without materially reducing their functionality; or (c) replace the Services with a non-infringing, functionally equivalent alternative.

Failure on the part of a Person to complain of any act of any Person or to declare any Person in default with respect to the Company, irrespective of how long that failure continues, does not constitute a waiver by that Person of its rights with respect to that default until the applicable statute-of-limitations period has run.
